The Jackson Hole Land Trust is proud to report a successful year. Significant support continues to come from our strong donor base of individuals and family foundations. In our 2012 fiscal year:

Unrestricted operating contributions topped **\$1M** for the third time in our history.

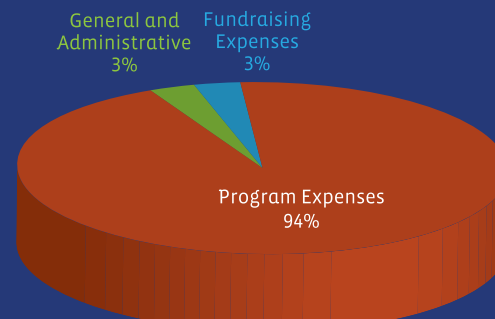

94% of expenditures were used directly to support programmatic expenses.

The Land Trust was able to secure **\$3,421,600 in federal and state funding**, and **\$1,685,800 in private grants**.

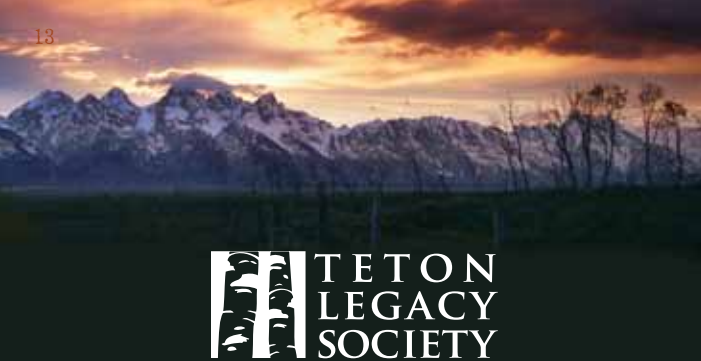

Investments in marketable equity or debt securities were **\$7,066,836** at fiscal year-end.

The Land Trust spent approximately **\$409,008 on stewardship of conservation properties**, allowing for nearly **6,392 total staff hours** devoted to monitoring new or existing easements.

JACKSON HOLE LAND TRUST USE OF FUNDS

These reports only show a portion of our financial statements. A complete financial statement is available by calling or emailing the Land Trust office.

PRESERVE YOUR LEGACY WITH OPEN SPACES

The Teton Legacy Society of the Jackson Hole Land Trust was formed in order to celebrate the individuals with the foresight and generosity to make a life income or bequest provision for the Jackson Hole Land Trust. Benefits of this lifetime membership include not only the knowledge that you have helped secure the future of this valley but invitations to exclusive events, special field trips and annual recognition. With a planned charitable gift to the Teton Legacy Society, you can protect the future landscape of this valley while also fulfilling your own financial goals. Speak to your financial advisor or call the Land Trust to discuss the giving strategy that is right for you.
